### GTS Team SPOTLIGHT

#### GTS celebrates 2023...

Each year our team gets together to celebrate not only the holiday season, but everything we have accomplished for the year. Like every year we keep growing and it couldn't make us happier!

*GTS helped make the holidays bright*

#### Annual Soup Kitchen Turkey Donation

Christian Gingrich, Joe Kluge, Melissa Schmitt, Leanne Burkhead, Brian Short, Dave Hunkins

#### Adopt a Family

The holidays, although joyful for many, can also be stressful for some. Our GTS team looks forward to this time of year to be able to help give back to our community and build our traditions!

In November, for the 3rd year in a row, our “Team Turkey” picked up and delivered turkeys to the local Soup Kitchen here in Spartanburg, South Carolina. This year when we called to setup the donation, we were made aware of an increase in the need at the soup kitchen and we were happy to step up and make sure everyone would have a full belly at Thanksgiving! We are happy that as our company grows the support for our community grows as well! (2021: 39 donated, 2022: 66 donated, and this year 100 were donated)

Another tradition was started this year. This fall as we were anticipating the holiday season, the employees at GTS decided instead of doing a gift exchange at our annual Christmas party, we decided to do something a little different. We contacted a local shelter and were assigned a family to adopt for Christmas. We received a very special family and were excited to start clearing their lists of “wishes.” As a team we were not only able to clear their list, fill up stockings, provide a Christmas tree, but we were also able to donate extra diapers, wipes and food for other families.

We hope everyone had a happy holiday season!
